Dear Sirs:

United States Patent No. 09/807/608

Reference is made to your letter dated 22 April 2002. This document was forwarded by my solicitor on May 8, 2002 and received today.

I will need some time to review the document, an obvious error is the spelling of my name.

I also note that some documents pertaining to the company have not been received by myself as a shareholder, namely notice and minutes of the last AGM.

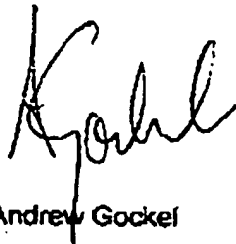

Could you please advise ASIC and the company register of the change of my permanent address to :

20 Nunkei Place

The Gap, Qld., 4061

This is a recent change, mail to 123 Settlement Road automatically gets redirected. This is the same physical premises as my previous address, due to local and state government intentions to widen Settlement Road, access to the house is now provided via an alternative entrance.

Sincerely,

Andrew Gockel
